Bill, do you know how they plan to use this? And who is the contact for this at Health? ... we have to be careful about sharing the mail list per citizen's request.

Donn,

The State Health Department would like a copy of our mailing list they have some info they would like to mail. Would that be possible and if so will you instruct CH@ to send it to them? I'm off Thurs & Fri.

They need it ASAP

Thanks

Bill
